Biographies & Autobiographies of Medal of Honor Recipients

This is a curated list of books by and about Medal of Honor Recipients. Please note that not every book ever written about Recipients is on this list – such a list would be much too long to include here! However, we have tried to include a good mix here for your reference. This list grows with time, so check back later too!

[List is organized by Conflict/Era, then by Recipient name, then by author name]
